

Emulsifying Roof Cleaner

Quick Cut is an industrial strength cleaner specifically formulated to break the soil to surface bond and hold the particles in suspension for easy removal. **Quick Cut** does not contain any acids, caustic soda, caustic potash, hazardous solvents and V.O.C.'s

Suggested Dilutions / Coverage (Increase or decrease as necessary)

- Typical application
8 oz. per gallon
- Typical Coverage
2 gallons per 100 square feet

NOTE: Cleaning effectiveness increases with “soak” time.
Repeat process if necessary.
DO NOT allow to dry before rinsing.

Quick Cut emulsifies grease, oil, atmospheric dirt, road film and many other soils without damaging or eating away at the surface. Quick Cut is effective in hot, cold, hard or soft water.

- **Environmentally safe**
- **Biodegradable**
- **No hazardous chemicals**
- **Non flammable**
- **Effective in hot or cold water**
- **Available in 1 gallon Jugs/4 per carton**
Bulk sizes are available upon request
- **Made in the USA - ISO 9001:2008 certified**
- **Full Safety Data Sheets are available on our website**
